Saint-Aubin

Crémant de Bourgogne « *Blanc de Noirs* » Brut

Sustainably grown, these old vines are planted with Pinot Noir. The grapes are handpicked and vinified in the traditional method (Crémant de Bourgogne). The wine is laid down for 15 months before being disgorged.

This sparkling wine has very fine bubbles, pale yellow highlights and aromas of fresh grapes, with hints of brioche. The mouth is vinous, yummy with a good length.
