Saint-Aubin

Saint-Aubin 1^{er} Cru *Sur le Sentier du Clou*

This plot is located between Gamay et Saint-Aubin, with a full southern exposure. The soils are clay-limestone. Sustainably grown, this plot is planted with Chardonnay and Pinot Noir grape varieties

After being handpicked, the harvest is lightly crushed then pressed in a pneumatic press. The juice is then allowed to settle and placed by gravity in French oak barrels to ferment with indigenous yeasts. After aging in barrels for 15 months (15% of new oak barrels), the wine is placed in vat for 3 months and is bottled at the estate.
